Subject: FOIA Request: EPA-R10-2015-000384

Hello Ms. Kapise,

It was very nice talking to you today. I understand that you are requesting to close this FOIA after being sent the interim response with the RCRA responsive documents and no longer need the documents requested in your fifth bullet that contained the Mastercraft Metal Finishing MMFSF documents.

Please respond to this email that you agree with this action and we will close out your FOIA request.

Thank you very much.

Sincerely,

Denise Ripley
